

**Put Your Child's Art on Magnets, Tiles,
T-Shirts and So Much More**
The Original Works Program is Back Again!

Dear Stenwood Family:

This is to let you know that our school has once again teamed up with ORIGINAL WORKS – the #1 art based program in the country – to offer a very special program. This program allows you to have your child's very own artwork reproduced onto a selection of nearly 30 quality products. These products range from magnets, mugs and mouse pads to t-shirts, tote bags and tiles. The wide selection of professionally produced, full color products offers something for everyone, and they make memorable gifts for any occasion.

Your child will be creating their artwork in school, using the regular art curriculum as the basis for their work of art. You will then have the opportunity to order whatever products you wish with your child's own artwork featured on each and every product.

We are thrilled to be participating in this unique and innovative program. Look for complete program, product and pricing information coming soon.

Additional product and program information, as well as customer testimonials, can be found at www.originalworks.com.
